SUPPLEMENTAL PRELIMINARY AMENDMENT

**BOX NON-FEE AMENDMENT**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action mailed December 15, 2000, Applicants respectfully request the entry of the following amendments and remarks into the record of the above-identified application prior to examination thereof.

IN THE CLAIMS

Please cancel claims 28-45 without prejudice.

Please add the following new claims:

56. (New) A method of forming a golf ball comprising the steps of:  
forming a core comprising:  
a solid center made from a first rubber based material;  
a solid core outer layer made from a second rubber based material  
having different physical properties from said first rubber based material;  
forming a cover comprising:  
an inner cover layer made from a material having a first shore D  
hardness and having an outer diameter of at least 1.58 inches;  
an outer cover layer made from a castable reactive liquid material  
having a second shore D hardness less than the first.
57. (New) The method of claim 56 wherein the outer cover layer has a hardness  
from about 30 shore D to about 60 shore D.
